"Apple 'Not Convinced Its \$2B iPhone X Is Selling For That Price' After Apple introduced the iPhone X, iPhone 8, and iPhone 8 Plus the company said that it wants it fans to buy a new iPhone at the current rates. The price of iPhone X is \$999 (Rs 67,570) in India. The company is not happy with the demand which is disappointing them. In an interview, Angela Ahrendts has said that Apple is not happy with the demand. But on the other hand she also said that Apple has never done better. The company is more concerned with the quality of the phones rather than the sales. The new smartphone is more expensive than its predecessor. It is basically a platform overhaul in terms of design. The design is flaunting glass on both sides. iPhone X can be unlocked easily and can be used with any carrier. It is designed to be water and dust resistant. All of these things make iPhone X
