Screenshots Reviews Love This App 4 By Tador I bought this awhile back for only 5 bucks and I love it! It doesn't seem like it took a lot of editing to create it to look the way it does. I see a big future for this software in its current state. It does everything I need and it does it with a lovely interface. I highly recommend this app! Great App 5 By pixielab This is a great app when done right. The interface is intuitive and easy to use. I get the reliability of the files I pull off the internet and the ability to be in contact with other TruxShare users
