This film is 2 hours 45 minutes long and is available in Hindi. Girish Karnad, Anil Kapoor, Madhuri Dixit, Danny Denzongpa, Namrata Shirodkar, Govind. The film is very heavy. It's not that it's heavy from the plot itself, but from the behavior of the characters. And although the plot seems confusing, but the film is very interesting. Not just an interesting story with a complicated plot, this is a very interesting film about finding and finding love. There are many moments that make you worry about the characters. Like when they're in the car and he can't tell her that he loves her. And at the same time, he so wants her to understand that he loves her.
