The studio is best known for its portfolio of driving simulation games, including Grand Prix Legends, Crazy Taxi and Days of Thunder. In addition to its first-party games, Volarium has made more than a dozen in-house developed games for mobile and PC platforms. Besides Tower!3D, Volarium's portfolio also includes King Adventures, The Escape, and other creative content. In 2012, Volarium has released Escape3D, the first of its major series which is the first full length 3D game of the genre, and is aiming to become the new standard in the genre. For more information, please visit www.volarium.com This content requires the base game Tower!3D Pro to activate. Content description Content description Tower!3D Pro - KLGA airport is an add-on airport for Tower!3D Pro giving you an additional airport for your controlling challenge. With it's two short runways this airport will give you a unique experience requiring some precise controlling skills. LaGuardia Airport an international airport in the northern part of the New York city. In 2015, the airport handled 31.4 million passangers. La Guardia has four terminals connected by buses and walkways. The airport opened with four runways at 45-degree angles to each other, the longest (13/31) being 6,000 ft. Although La Guardia was a large airport for the era in which it

Features Key:

Easy to learn
Simple combat system with lots of variations
Rage system that lets you throw all your energy into your fists
Balancing system that lets your play style influence the game

How to play Fly Punch Boom!

We believe the post-workkickfest formula to be the key to a fun game. Put it like this: An endless kick-fest balanced around heavily influenceable rage-systems and difficulty settings that lets you play a different game every time you play (or none at all!). Fly Punch Boom! introduces a unique free kick-fest formula in the fight game genre.

Dreamweb Studios is highly interesting to play and has several layers which make the game special at the same time.

Select your Skin

In Fly Punch Boom! the Fight Fantasy Collection will teach you what it means to be a fly punch fighter.

Smash

Madlock

SMASH MADDOCK Game Key features:

- Fight with any of the 12 Madlocks
- Fifty different Madlock outfits
- T-shirt with Madlock
- Fight with Madlock machines
- An additional game mode

How to play Smash Maddock

As the name Madlock suggests you fight as a Madlock, a pegasus male who fights in an open fighting ring.

The Madlocks are the traditional costumes (color coded) the pegasus can wear.

The Madlocks are active in three locations (Hall, Schwerbelager, Scavenger) which can be selected with the buttons on the left.
