Avast Home Free Antivirus 2020 PT-BR Serial Key AntiLock 0%Directions Place challah in large mixing bowl. Add olive oil, honey, garlic, and brown sugar and mix until bread is thoroughly coated with oil. Cover mixing bowl with plastic wrap and place in the refrigerator for 30 minutes. Remove from refrigerator, and mix again. Continue this step every 30 minutes until bread is fully risen. Let the bread rise, covered with a tea towel, for at least 3 hours. Once bread has reached desired height, you may place it in the oven at 350 degrees until it doubles in size. Gently remove plastic wrap and continue to let the bread rise, covered with a tea towel, for another 30 minutes. Mix all ingredients together in a bowl or measuring cup. Pour the liquid mixture into the loaf pan and smooth the top with a spatula. Refrigerate for at least 4 hours. About 30 minutes before baking, remove the loaf from the refrigerator. Using a baking sheet or cutting board, carefully remove the loaf from the pan and place the pan on the baking sheet to prevent the pan from cracking when the loaf is turned out. Sprinkle the top of the challah with a light covering of the reserved brown sugar. Let the loaf rest for 15 minutes. Preheat oven to 350 degrees F. Bake bread in preheated oven for 45 minutes to 1 hour, or until the top is golden brown. Let the bread sit for 10 minutes before serving. Side note: This bread is also lovely at room temperature.
